WASHINGTON • MONTROSE

## PRIVATE DINING

With two Houston locations in the East Washington Corridor and Montrose neighborhoods, B.B. Lemon is an elevated eatery and bar serving classic, straightforward food and cocktails. The newest culinary concept from Houston-based Berg Hospitality Group and restaurateur Benjamin Berg, B.B. Lemon provides Houstonians with a cozy, neighborhood spot featuring dishes that blend the best of Berg's favorite cities, Houston and New York. The spacious, tented patios at both locations offer full-service dining and are available to rent for private parties along with the back dining room at the Montrose location. Complete buyouts are also available based on the date. Our private dining director is at your disposal whether you are hosting a luncheon, dinner or cocktail reception. We look forward to taking personal care of your custom-printed menus, specially tailored wine or cocktail pairings, floral decoration, musical entertainment and more.
